

## Progress on the Project

- Created auto complete
- Hooked up both large and small text generations

## Difficulties Barring Progress

- Just need to train the models well

## Possible Changes to Milestones

~~10. Mar 9 – AI – train genre/parameter specific models~~ Create autocomplete drop down

11. Mar 16 – Spring Break

12. Mar 23 – train genre/parameter specific models

13. Mar 30 – add book genres and connect genres to models

14. Apr 6 – Final Presentation

15. Apr 13 – Final Presentation / Project Defense

16. Apr 20 – Project Defense
